

# Minimum Support Price

## Step by Step approach & Role of FPOs

A scheme implemented by Government to ensure "Minimum Remunerative Price" to farmers and also safeguard the interest of the consumer by timely supplies and controlling the market prices

### FPO's Role

FPO/ Federation acts as one of the "Procuring Agency for State Nodal Agency or Central Nodal Agency

- 1 FPO decides to be one of the "Procuring Agency"  
FPO-CEO/ President applies to "State Nodal Agency"  
for allotment of MSP centre
- 2 Allotment of procurement centre  
FPO signs MoU with "State Nodal Agency"
- 3 Training of FPO Business Committee and CEO  
by State Nodal Agency  
FPO collects moisture meter, registers and other  
tools, etc from State Nodal Agency
- 4 Create awareness on Procurement of  
only "Fair Average Quality Grade"  
belonging to farmers
- 5 Sample quality checking as per e-cropping, farmer's  
document verification and issue of token  
Actual quality verification based on "FAQ" specifications,  
Stencilling, bagging, weighment and Stitching
- 6 Uploading of data, generation of lot number,  
billing, procurement book data entry,  
issue of invoice to the farmer
- 7 Stacking of the filled bags, truck sheet generation,  
despatch and "Direct Beneficiary Transfer"  
within 48 hrs
