

## **Group 2: Design and implementation Role of the NGOs and implementing agency.**

### **General recommendations.**

1. Under the NRLM allocation per capita should be commensurate with the activity and create viable livelihood.

2. TOT for the bankers and NGO staff.

Kantha Ben Capacity building of the staff.

3. Awareness among the DRDA.

4. Entire the family should be the focus value chain of all the different activity of the family to be included for the intervention.

5. Official minimum wages to be paid to the grass root level worker appointed under NRLM

6. NRLM is not factoring the possible technology interventions . Financial mediation will no longer be the role of SHG. In future access to credit insurance savings will be available individually. This has to be accounted for.

7. Larger macroeconomic scenario to be kept in mind. Scope for much larger credit flow to rural area.

8. Heavy work load to taluka level officer

9. Marketing arrangements for the products at the sil level.

10. Grading and value addition at village ..

11. unique identity number for group.

12. Convergence of line depts..

13. Professionallisation of production and marketing at dist level.

14. Convergence of NREGA and NRLM. Cultivation to be compensated under NREGA. Group of men SHGS and women shgs engaged in farm related activity to be compensated under NREGA to reduce load on NRLM. Role of NGOs and regular staff;

15. NGOs to be treated not as contractors. They should be involved in planning implementation and monitoring as a network at DRDA level.

### **Implementation**

Selection of NGOs.

1. Accredited NGOs with presence in the state only should be considered.
2. Rating of NGOs by accredited rating agencies funded under NRLM. If not district level selection committee should choose the NGO.
4. Accredited NGOs should be assisted to set up and run RUDSETI.
5. District level capacity building team in managing the NRLM.
6. Gender sensitization training also should be there.
7. Scrap DRDA. Panchayat raj should take over NRLM. The Panchayat raj should be empowered to run the NRLM.. New instrument to monitor the NRLM to be brought under the control of ZP.
8. Separate block level district level and state level implementation team.
9. Individuals also to be assisted under NRLM.
10. NRLM should set up state level training institute and create mechanism to train the required manpower depending on the available experiences in the sector.
